

Safety guidelines for grass program

1. All nets, courts, balls and training equipment will be disinfected and set up by designated staff only
2. Upon arrival you **MUST** sanitize your hands. We will have hand sanitizer, masks and gloves onsite at all times if you so wish to use them, although we recommend you bring your own.
3. After sanitizing you **MUST** hand in your declaration form before entering the designated playing area.
4. If there is a line-up of players handing in their forms please maintain safe social distancing while waiting.
5. You will **NOT** touch any equipment nor go on any court without instruction from the coach.
6. After sanitizing your hands and handing in your declaration forms you will wait for instruction in the designated area while maintaining a safe social distance from all other participants.
7. Once given a court to play on you must **NOT** play on any other court.
8. There will be designated balls for courts. You will only be able to touch the balls assigned to your court.
9. There is a **MAXIMUM** of 6 players per court, meaning three players per side. Make sure not to exceed the allotted amount per court.
10. Spectators are discouraged at this point, but if you are uncomfortable with leaving your child you **MUST** also fill out a declaration form and sanitize your hands. Spectators will be asked to keep a minimum of 20 feet from all the courts and will **NOT** be permitted to touch any equipment.
11. There will be a **MAXIMUM** of 3 courts until further notice. This means there will be a **LIMIT** of 18 players per session.
12. You **MUST** register ahead of time and spots will be filled on a first registered basis. Spots will also be offered to club members first, participants from outside of the club will only be accepted if there are empty spots. All participants **MUST** sign a waiver form upon registration and hand in declaration forms upon arrival of every session.

13. If you have any allergies to the outside elements you **MUST** divulge said information to the club and provide written declaration prior to attending any activity.
14. You will periodically sanitize your hands and balls throughout each session.
15. Before leaving you **MUST** sanitize the balls used on your court and your hands.
16. All nets, courts, balls and training equipment will be taken down, disinfected and put away by designated staff only.
17. Safe social distancing will be maintained as much as possible throughout the session. This means **NO** hand shakes, high fives, hugs etc.
18. Everyone **MUST** leave in a timely and orderly fashion following dismissal.
19. If you are unable to attend any registered event please give Dave McLeod at least 24hrs notice prior to the event via email at dmcleod@acevolleyballclub.ca
20. You **MUST** report any COVID-19 symptoms or contact with anyone who has experienced symptoms immediately and refrain from attendance to any program for a minimum of 14 days.
21. With grass volleyball being an outdoor activity it does decrease the risks involved with return to sport, but in no means does it eliminate them. Anyone not abiding by our safety guidelines will be asked to leave the program at the coach's discretion and not return with no refund. We must all be accountable for our actions in our efforts to keep everyone safe and able to play the sport we all love.
